INVITATION

Dear Colleagues,

It gives us immense pleasure in extending you a cordial invitation to participate in the inaugural ceremony of Indian Fertility Society, Telangana chapter scheduled to be held at Hotel Marigold- Green Park, Begumpet, Telangana state, India on 12th August 2018 at 2:30 pm.

Indian Fertility Society was established in 2005 as the need was felt for the professionals to interact and share knowledge in the field of infertility on a continuing basis. It became a platform for young infertility professionals to interact with more experienced members. This young society is now poised to take a leap by organizing the 16th IFFS world congress. IFS has seen an unbelievable journey from 20 founder members to current strength of 1650 life members and 16 state chapters which resulted in nationwide participation.

Telangana Chapter is another feather in the cap of the Indian Fertility Society. The IFS Telangana chapter 2018 will help us in focusing on strategies for the development which will permit to improve reproductive health services. With the growing need for Infertility services in the country a great future lies ahead for this progressive society as there is tremendous advancement in this area. It will provide a platform for coordination and exchange of knowledge among various stakeholders i.e.: Assisted reproductive specialists, Reproductive biology Scientists, Gynecologists & Obstetricians, Embryologists, Research scholars etc to enhance the awareness and treatment outcomes in the field of ART.

The scientific program will consists of key note address, invited lectures, panel discussion etc. It also provides excellent opportunity to interact with the experts in the field of art and reproductive medicine. On behalf of IFS Telangana chapter we extend a warm and cordial invitation to you to participate and are looking forward to you to join us for the inaugural ceremony.

With Best Regards,

Dr. Roya Rozati

Secretary
