## WELCOME MESSAGE

**Dear Friends and Colleagues,**

It is a great privilege for Indian Fertility Society Confluence organizing team to invite you all for an amalgamation of knowledge and spirituality on 16<sup>th</sup>, 17<sup>th</sup> and 18<sup>th</sup> May, 2025 to Varanasi. Varanasi is the most ancient living city of the world, the spiritual and cultural capital of India. It is a city of tradition and culture where the sound of temple bells and rustle of silk mingles seamlessly with medical expertise and knowledge.

The three day congress will be a knowledge fiesta which includes a USG Special Interest Group workshop on Infertility and Gynaecology and an outstanding scientific program with an interesting array of eminent speakers from all over the country to discuss emerging trends, cutting-edge techniques, and best practices in the field of fertility management. Keeping up with the theme “Bridging the Gap between Dreams and Reality with Knowledge and Spirituality” This will be an opportunity for the delegates to interact with the stalwarts and update their knowledge in this rapidly evolving field.

Moreover, beyond the academic discourse, we envision this conference as an opportunity to encounter spirituality. Varanasi is home to Kashi Vishwanath Temple - a Jyotirling of Lord Vishwanath – that represents Shiva's superiority over other Gods. A visit to the temple and a dip in the Holy Ganges is believed to lead one to the path of salvation. It embodies more than religious fervor, it represents intertwining of life and death in the eternal cycle of existence.

The conference will take place at one of the prime venues of the city – Taj Ganges, well connected by air, rail and road. We look forward to welcoming you to Varanasi and hope the memories of this scientific extravaganza will remain long lasting. Organizing committee members are continuously working hard to make this a grand & fruitful conference.

Thank you,

Organizing Committee  
IFS Confluence, Varanasi.
